Full Stack Developer Intern, PARKQWICK Pvt. Ltd.

2024

- Built and deployed MERN stack features in a live production environment.
- Designed RESTful APIs, integrated third-party services and improved application performance.

EDUCATION

B.E. Computer Science and Engineering

2022 - 2026

Anna University Regional Campus, Coimbatore | CGPA: 8.32 / 10.0

Govt Boys Hr Sec School, Vangal, Karur

2019 - 2022

HSC: 72.8% | SSLC: 81.4%

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, React.js, Next.js, responsive design

Backend and databases: Node.js, Express.js, MongoDB, MySQL, SQL

Other languages: Python, C

Tools: Git, GitHub, Postman, Android Studio, Canva, MS Office

Concepts: Full-stack development, REST APIs, blockchain, JWT, AES/RSA encryption

SELECTED PROJECTS

Nimbus Cloud | Encrypted Cloud Storage

React.js, Node.js, MongoDB, Cloudinary (AWS), AES-256-GCM, RSA-OAEP, JWT

<http://nimbus-front-opal.vercel.app/>

- Implemented zero-knowledge storage with client-side encryption and decryption; the server stores only ciphertext.
- Enabled single-user sharing with RSA-OAEP and group sharing with RSA-wrapped AES keys. Published the work at ICNGC-2026.

University Placement Portal

React.js, Node.js, Express.js, MongoDB | <https://placementapp-0htf.onrender.com/>

- Built a placement management app for students, recruiters and administrators with real-time job tracking dashboards.

Dr. RRB Pain Care | Freelance

Next.js, React.js, SEO, responsive design | <https://drrrbpaincare.com/>

- Built a medical website for India's first dual-board certified interventional pain specialist, serving 4,000+ patients.

Evergreen Farms | Freelance

Next.js, React.js, responsive design | <https://www.drkumaravelproperties.com/>

- Built a farmland investment platform for Dr. Kumaravel Properties, showcasing a 100-acre gated community with automated lead capture.

Digi Force and CR8IVE | Freelance

Next.js, React.js, SEO, responsive design | <http://thedigiforce.in/> | <https://www.cr8ive.in/>

- Delivered agency websites with live performance dashboards and integrated contact funnels.
- CR8IVE client portfolio includes brands generating 3 Cr+ revenue from digital campaigns.

Blockchain-Based Quiz Game Application

Blockchain, OCI, JavaScript, HTML, CSS

- Developed a decentralized quiz game with tamper-proof score recording and transparent leaderboards.

PUBLICATION AND CERTIFICATIONS

Encrypted Cloud Storage Using Zero-Knowledge Architecture

ICNGC-2026 | International Conference on Next-Gen Computing

Nithishwaran A, Someshwaran C, Sasikumar K, Sachin S, Dr. D. Prabhu

ISSN (Online): 2348-4098 | ISSN (Print): 2395-4752

Participation and paper presentation, May 15-16, 2026

Chhatrapati Shivaji Institute of Technology, Durg

- MongoDB University - MongoDB Database Training
- Oracle - OCI Blockchain Experience-Based Project Certification
- Google Smart Bridge - Android Application Development
- Infispark x Microsoft - Digital Productivity & AI Fluency Training

ACHIEVEMENTS

- Gold - 22nd Senior State Throwball Championship, 2024-2025
- Silver - 33rd Junior Nationals Throwball Championship, 2023-2024
- Bronze - 21st Junior State Throwball Championship, 2023-2024
- Represented Tamil Nadu - 64th National School Games (U14), 2018-2019

LANGUAGES

Tamil (Native) | English (Professional Proficiency)
